In the event that the terms of this Agreement are inconsistent with the ProAdvisor Guide, the terms of this Agreement shall control as to the QuickBooks Premier Accountant & Bookkeeper Edition software. Active participants to the ProAdvisor Program may have access to additional Intuit products, services or discounts during the term of their subscription on a when-and-if available basis. Any additional Intuit offerings provided during the active subscription cease immediately when the active subscription terminates.

(c) You may not assign/transfer your rights in and to QuickBooks Accountant Edition to any third party without Intuit's prior approval, which may be conditional upon the third party assignee/transferee agreeing to certain terms and conditions as determined by Intuit in its sole discretion.

3.2 You may not process payroll for any other person, company or legal entity without a valid Payroll Subscription.

#### **4. Online Data Transfer (not applicable for Software and Trial versions that do not include access to the Online Data Transfer feature).**

You may have the option to transfer your data files from the Software to Intuit's online servers (the "Online Data Transfer") in order to facilitate certain interoperability, data integration, and data access between the Software and certain supported ancillary services you may sign up for and use in connection with the Software (the "Ancillary Services"). Separate fees may apply. In order for you to select the Online Data Transfer option, you must (i) have registered select versions of the Software, (ii) have Internet access, and (iii) and may need to be an active subscriber to the Ancillary Services. If you select the Online Data Transfer option, a copy of all or part of your company, data files will be transferred via the Internet to Intuit's servers (the "Transferred Files"); where you grant Intuit the right and license to (i) host and maintain the Transferred Files and (ii) use the Transferred Files to make the Ancillary Services available to you, (iii) reformat and manipulate the Transferred Files as reasonably necessary for the data to function with the Ancillary Services. Your original data files will remain in the Software. If you are signed-up for any Ancillary Services that support Online Data Transfer, you will then have the option to have the Transferred Files sent to any of those supported Ancillary Services (a "Data Transfer"). If you are no longer signed-up for an Ancillary Service, you will no longer be able to process Data Transfers to that Ancillary Service.

If you authorize a Data Transfer for a third party Ancillary Service, you authorize Intuit to provide the Transferred Files to the third party provider of such Ancillary Service in order to provide the Ancillary Service to you. You agree and acknowledge that Intuit has no control over any third party Ancillary Services. Your use of the Ancillary Service may be subject to additional terms and conditions. Intuit does not have any liability whatsoever for any actions or inactions on the part of the Ancillary Services resulting in your inability to use the Online Data Transfer feature or otherwise use the Ancillary Services in connection with the Software.
